Cougar Women's Hockey Alumni 10th Annual Golf Classic

Cougar Women's Hockey Alumni

Who are we? And what do we do?

It is with great excitement that the Cougar Women's Hockey Alumni will be holding the 10th Annual Cougar Women's Hockey Alumni Golf Classic on **Friday, June 16, 2023**, at the beautiful Deer Valley Golf Club.

This year marks the 10th anniversary of the Golf Classic and it continues to be our largest fundraising initiative of the year! One of our major commitments, is our yearly awarded scholarship to an athlete whom is entering her fourth or fifth year of eligibility. In past, this scholarship has been awarded to women who have went on to exemplify success in a career, family, or the game of female hockey. Our aspirations as an Alumni group, are to hopefully increase the frequency of this scholarship to once a semester.

This fall, the U of R Women's Hockey program is heading overseas to Europe to play a series of exhibition games. These games help to expose the athletes to international hockey as well as offer potential opportunities to continue playing hockey after their time at the U of R.

We alumni pride ourselves on the Sisterhood that keeps us together. Within our group, we have graduated many women who have gone on to great success within the Regina community and beyond, including Registered Nurses, Teachers, Physiotherapists, Business Owners and so much more. These same women continue to give back through sport within our own community and continue to be great ambassadors for the game of female hockey.

We currently have Sponsorship opportunities available for our 10th Annual Golf Tournament. We would appreciate your support in considering one of the sponsorship levels below, so we can continue to support our team and community.

Cougar Women's Hockey Alumni 10th Annual Golf Classic
